- Those who use false, unauthentic, or unreliable names, or provide inaccurate information.
- Those who use the content from the corresponding web page for purposes other than participating in the contest.
- Those who appropriate, distribute, transfer, or share with third parties, by any means, elements, photographs, or other content from the contest web pages.
- Those who refuse to disclose their identity.
- Any contestant who does not comply with the contest's Terms and Conditions as outlined in these rules.
- Those who employ fraudulent techniques, computer-based or otherwise suspicious, that alter the participation mechanism in this contest, as described in these rules.

5. The purchase of Energizer® products. The participating products for the promotion are those listed in point 4 of the Terms and Conditions. Products not included in the list, such as automotive/marine batteries, USB chargers, and portable external batteries, are not valid for participation.

6. The Prize: The number of points accumulated in the online challenge/game will be the points each participant has for their participation. The participant who accumulates the highest number of points will have the possibility of being the winner, provided they comply with the Terms and Conditions established herein. The prize allocation will be carried out as follows:

i. The two (2) eligible participants with the highest scores throughout the entire promotion period will each receive a PlayStation®5 Digital Edition gaming console with the following features: DualSense™ Wireless Controller, 1TB SSD, HDMI® cable, AC power cord, USB cable.

ii. The thirteen (13) eligible participants with the next highest scores throughout the entire promotion period will each receive a gaming headset with the following features: compatible with PS5, PS4, PC, Mac, Switch, Xbox Series, RGB surround sound, 50MM drivers, 3.5MM audio connector. The brand and model are at the discretion of the organizer and/or administrator and will be communicated to the winner upon contact.

The prize program for this activity will assign a score to each participant to determine their eligibility to receive a prize as follows:

- The two (2) participants with the highest scores during the promotion period will each receive one (1) of the two PlayStation®5 Digital Edition gaming consoles.

- The following thirteen (13) participants with the highest scores during the promotion period will each receive one (1) of the 13 gaming headsets.

CONTACTING THE WINNERS:

- Winning participants will be eligible to receive the prize provided they meet the required conditions.
- Prize redemption is personal and non-transferable and will only be awarded to the registered account holder.
- Instructions for claiming the prizes will be provided to the winners at the time of contact.
- Prizes are non-refundable, non-exchangeable for cash, and will only be awarded to the selected winners.
- Promotion winners can only win once, but they can participate multiple times with the same email by registering new products during the promotion period.

In the event of a tie in the final activity results, the selection will be based on two variables from the activity:

1. The first registration on the platform (Date and Time).
2. The highest number of eligible product participant packaging registrations.

7. Winner Notification: Potential Winners will be notified by the Administrator of their status via email to the address provided during registration, within twenty (20) business days from the selection of the winners. They will be asked to confirm the accuracy of the data provided via email and accept the Prize within five (5) calendar days from the initial contact. Additionally, Potential Winners will be required to provide a copy of their official photo identification. Failure to comply with any of these conditions will result in the forfeiture of the right to the corresponding Prize, without the possibility of appeal. The Administrator and the Organizer commit to delivering the Prize within a maximum of 30 business days from the date of the winner's selection.

8. The Organizer and the Administrator are committed to conducting a fair and secure promotion and preventing any form of abuse or fraud. If a participant acts inconsistently with these Terms and Conditions, their participation (and any associated aliases) will be disqualified. Any awarded Prize may be revoked and reclaimed, and the Organizer reserves the right to ban the involved participant from participating in future promotions for a minimum of six months. Therefore, the Organizer reserves the right at any time to:

- Verify the eligibility and information of participants by requesting information deemed necessary by the Administrator. The grand prize may be withheld until verification is complete.
- Individuals who have been winners in any contest of the brand since November 1, 2023, will not be able to participate or win in the new promotion that begins on November 1, 2024.
- If it is suspected and/or confirmed that the participant is a prize hunter, their participation will not be validated. A "prize hunter" is defined as any participant who, at the sole discretion of the Promotion's Administrator and Organizer, registers or participates with the sole intent of winning prizes without adhering to the spirit of the promotion. This may include, but is not

Energizer

limited to, behaviors such as registering multiple accounts, using false or misleading information, participating in the promotion in an automated manner, or through methods not intended by the company. If a participant is suspected or confirmed to be a "prize hunter," their participation will be disqualified, and they will not be eligible to receive any prize.

- Disqualify any participant who engages in fraudulent, irregular, or illegal behavior, or violates these terms and conditions.
- Entries not made directly by the person registered in the Promotion will be disqualified. This will be verified by comparing the name on the registration with the one appearing on the official identification, for example, when the registered name differs from the name on the official identification.
- Disqualify participants who provided false, misleading, or fraudulent information during the registration or validation process.
- Participation in fraudulent activities, such as data manipulation or the use of multiple accounts, will result in immediate disqualification.
- Participants who do not meet the requirements set forth in the terms and conditions, including the purchase of products necessary to participate, will be disqualified.
- Any participant who violates the rules or regulations established during the promotional period will be disqualified.
- Entries submitted using anonymous email services such as GuerillaMail, Dispostable, or Mailinator will be disqualified.
- Entries submitted en masse by individuals, commercial groups, or consumers, as well as incomplete entries or those submitted by automated means, will be disqualified.
- If it is discovered at any time that a Winner is in violation of these Terms and Conditions, or if fraud is suspected, the Organizer may disqualify them and refuse to deliver the Prize. If the Prize has already been delivered, the Organizer may demand its return.
- Entries that exceed the maximum allowed or use techniques such as scripting, brute force attacks, or identity masking by manipulating IP addresses or using aliases will be disqualified.

Scripts: This refers to the use of programs or automated lines of code that allow the participant to perform repetitive actions, such as registering multiple times or submitting entries in bulk, without manual intervention. The use of scripts is considered a form of unfair automation that violates the promotion's rules of fairness.

Brute Force Attacks: This consists of repeatedly attempting to guess passwords, codes, or other security mechanisms by systematically trying possible combinations. In the context of a promotion, this refers to repetitive attempts to participate using different combinations of data to increase the chances of winning.

Identity Masking through IP Address Manipulation or Use of Aliases: This involves hiding or disguising the participant's real identity through techniques such as frequently changing IP addresses, using proxies or VPNs, or creating multiple profiles or fake aliases. These practices aim to deceive the system to participate more times than allowed or to simulate that multiple people are participating when, in reality, it is the same person.

- Participants who manipulate the claims process or do not meet the requirements of these General Conditions will be disqualified.
- The Organizer reserves the right to cancel, modify, or suspend the Promotion if it cannot be carried out as planned due to reasons such as tampering, unauthorized intervention, fraud, technical failures, or any other external cause affecting the administration, security, fairness, integrity, or proper conduct of the Promotion.

9. The prizes are non-transferable and cannot be exchanged for cash or any other form of compensation. In the event that a Prize or any component thereof is unavailable for any reason, the Organizer reserves the right, at its sole discretion, to substitute that Prize with another of equal value.

10. The Organizer will not be responsible for lost, delayed, corrupted, damaged, misdirected, or incomplete claims, or claims that cannot be delivered due to delivery failures, technical failures, system failures, satellite failures, network failures, server failures, hardware or software failures, or any other reason. Proof of sending the winning email will not be accepted as proof of receipt. The Organizer does not guarantee continuous or secure access to www.christmaswithenergizer.com.

11. The Organizer, the Administrator, their agencies, and associated companies will not be liable for any loss (including, without limitation, indirect, special, or consequential loss), expense, or damage suffered or sustained (whether arising from any person's negligence) in connection with this Promotion or the acceptance or use of the prize/grand prize, except for any liability that cannot be excluded by law. Nothing excludes the Organizer's liability in the event of death or personal injury resulting from its negligence. Under no circumstances shall the Universal Parties be liable for any direct, special, incidental, exemplary, punitive, or consequential damages (including loss of use, data, business, or profits) arising out of or in connection with participation in the Promotion, whether such liability arises from any claim based upon contract, warranty, tort (including negligence), strict liability, or otherwise, and whether or not such party has been advised of the possibility of such loss or damage. Some jurisdictions do not allow the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to all participants.

12. The Organizer and the Administrator will not be liable for any delay or failure in their obligations due to circumstances beyond their reasonable control, including, but not limited to, acts of God, global or regional epidemics or pandemics, adverse weather conditions, fire, industrial disputes, war, terrorist activity, hostilities, political unrest, civil unrest, plagues, or other natural calamities, or any other circumstance.

13. Providing your personal data is voluntary but necessary to participate in the Promotion. The Organizer is the data controller and has appointed the Administrator as the data processor. Your personal data will be processed based on the Organizer's legitimate interests, (a) for the time necessary to carry out the Promotion and (b) after the Promotion, solely to defend against any potential claims from participants or to comply with legal obligations related to the Promotion. If you are entitled to a Prize, the Administrator will use your personal data to deliver it. You have the right to access, rectify, transfer, and delete your personal data, as well as to object to or restrict its processing. The Organizer and the Administrator do not intend to transfer your personal data to third countries. For more information about your rights and how to exercise them, including how to

contact the Organizer, visit the Organizer's privacy policy, available at <https://www.energizergrouplegal.com>, and the Administrator's privacy policy, available at <https://asylummarketing.com/en/privacy-policy/>

14. If any part of these Terms and Conditions is deemed legally invalid, illegal, or unenforceable, the remainder shall not be affected and shall remain in full force and effect.

15. If necessary and/or at the discretion of the Organizer, the Administrator reserves the right to extend and/or clarify the scope of these Terms and Conditions and/or any procedures, which will be communicated through the Promotion page at any time during the Promotion.

16. By participating, participants agree to these Terms and Conditions, and the Organizer's decisions regarding any matter related to the Promotion are final.

17. In the event of any discrepancy between these Terms and Conditions and any promotional material, these Terms and Conditions shall prevail.

18. These Terms and Conditions are governed by Trinidad and Tobago law, and their interpretation and enforcement are subject to the exclusive jurisdiction of the courts of Trinidad & Tobago. If the dispute or claim is not otherwise resolved through direct discussions or mediation, it will be resolved by final and binding arbitration administered by Judicial Arbitration and Mediation Services, Inc., in accordance with its Streamlined Arbitration Rules and Procedures or subsequent versions thereof ("JAMS Rules"). The JAMS Rules for selecting an arbitrator shall be followed, except that the arbitrator shall be experienced and licensed to practice law in Trinidad & Tobago. All proceedings shall be conducted in the capital, Port of Spain. The remedy for any claim shall be limited to actual damages, and under no circumstances shall any party be entitled to recover punitive, exemplary, consequential, or incidental damages, including attorney's fees or other costs related to bringing a claim, or to rescind this agreement or seek injunctive or any other equitable relief.
